

SHADOZ 07 Photo BRYCE GRAINGER

With the dust from SHADOZ 07 still settling, Sydney based KIM HUMPHREYS is making the trip to Melbourne once again to appear at SOUNDWORKS in Ringwood on Thursday 12th July to share the stage with Soundworks own PAUL GALE and fingers crossed, BARRY *The Legend* ROY. Kick off is at 7.30pm and admission is free.

Kim hopes to have his MERCEDES single ready in time (review in upcoming 2G4W #17) the CD also containing the very different VOODOO MUSIC and a nod to all things 60's, HOW I LOVE YOU

Kim's recent appearances have seen a noticeable change in his repertoire and while he still gives us plenty of *Tele Twang* and *Oz Surf*, the inclusion of more Blues Rock influenced instrumental material is a definite nod to his early Sydney pub rock days with the likes of TMG, GREAT DANE and JEFF ST JOHN.
